Friends of Parks & Recreation

Dear Friends and Neighbors,
It's been a remarkable year for the Parks and Recreation department and, in turn, all of us fortunate enough to live in and around Derry Township. Hopefully, you, your loved ones, and friends have taken advantage of our eight beautiful parks, the bike trails, and the incredible events Parks & Rec has organized and sponsored.

The highlight of 2017 was the complete renovation of Cocoa Castle. If you've been there (or passed by) on any nice day since its' opening, you've seen droves of families enjoying all that it has to offer. The success of that project is attributable to the overwhelming support and the outpouring of donations from the community. We couldn't be more grateful to all of those who helped fundraise, contributed, and otherwise supported the effort!

Amazingly, that is only the start of the renovations and improvements! The Parks and Recreation department is planning the development of a remarkable new Recreation Center. This facility will serve as a hub of the community offering everything we've all come to love about the current Rec Center and so much more!
It's never been a more exciting time to support the parks, programs, and facilities!

The Friends of Parks and Recreation partners with the Department by providing funds and volunteers to enhance our parks and programs. It also serves as a forum for the community to share opinions and bring new ideas to the Department. The Friends group has contributed to park maintenance, established and run the memorial tree program, contributed money for various projects including $5000 to Cocoa Castle. Special events sponsored by the Friends group include the Easter Egg Hunt, the Halloween Parade, the Memorial Day Essay Contest, the Special Needs Fishing Derby, Drive-in Movies in the Park and the Shank Park Halloween.
This coming year we will have two major projects:

- **Promoting the use of the township's trail network through the seventh annual Friends' Trail Challenge**
- **Hold the fifth annual Park Pride event at one of the township parks where volunteers can assist with hands-on park maintenance and clean-up activities.**

We also continue to sponsor and provide volunteers for a variety of events. These projects and events require both time and money. We encourage everyone in Derry Township who uses or benefits from our parks to become a sponsor of the Friends.

This year we again ask you to join us in support of the efforts and improvements of the parks and events as Silver, Gold, and Platinum sponsors. Additionally, we'll plant a trail tree or park tree for every sponsorship of $150 or more with signage recognizing your incredible support!

While your contributions are paramount to the continued success and growth of the parks and events, it is just as important to make your voice heard when it comes to how you would like to see those funds used and what improvements and events you truly want to see more of. In turn, we encourage you to join the Friends group and make it a point to attend our monthly meetings – usually the 2nd Tuesday of every month at 6pm at the Rec Center.

Please call the Parks and Recreation Department at (717) 533-7138 or follow Derry Twp Friends of Parks and Recreation on Facebook for more information and to find out when our next meeting is scheduled.
Please come: you <u>can</u> make a difference!

Sincerely,
The Friends of Parks and Recreation
