**INTRODUCTION:**

Chairman Moyer stated this is a public hearing regarding the vacation of the right-of-way of former Park Boulevard.

Mr. Emerick stated this public hearing is being held to obtain public comment regarding the proposed vacation. This is one of the final steps in the Park Boulevard relocation project. As anticipated by the construction documents, the Township is intending to vacate its right-of-way and maintenance obligations for the former roadway. By doing so, the adjacent property owners have the right to obtain this area for their use. The Dauphin County Planning Commission reviewed the matter and their letter is included in the packet of information for this hearing. He showed the Board the location on the map. He explained the two ways you can vacate a road. Supervisor Zmuda asked about closing the old road. Mr. Emerick stated that vacating the road will make it available to others and HE&R would absorb the road and use it.

**PUBLIC COMMENTS:**

There were no public comments offered.

**ADJOURNMENT:**

Supervisor Cort made a motion to adjourn the hearing at 7:44 p.m. Chairman Moyer seconded the motion.
